April 2008 Free Giveaway Sponsor - SANS Pen Test Summit

Free Summit Pass Worth $1,745!!

Although ChicagoCon 2008s offers the 2-day workshop, Cutting-Edge Hacking Techniques - Hands On, written by Ed Skoudis, if you really want to see the latest and greatest techniques being used in the pen testing world as well as further your career in this exciting field, then the SANS Penetration Testing Summit in Vegas is the place to be.

SANS WhatWorks in Penetration Testing & Ethical Hacking Summit with Ed Skoudis features wonderful presentations by the top practitioners in ethical hacking including not only Ed Skoudis but also HD Moore, Johnny Long and many other top penetration testing experts in the United States and Europe who are coming together at the Paris Hotel on June 2 - 3 in Las Vegas to share their latest and most sophisticated techniques. "With presentations and workshops from industry thought leaders, this summit will help penetration testers, security assessment personnel, and managers responsible for vulnerability assessments operate more efficiently and effectively," says Skoudis. "You will leave the Summit with an arsenal of solutions that you can put to use immediately." For more detailed information, be sure to read the Summit Brochure. One lucky EH-Net member will be given a complimentary summit pass worth $1745. Good luck.
