February 2011 Free Giveaway Sponsor - FishNet Security

Free 5-Day Training Course worth $3995!

Not sure what to do next, where or how? Would like instructor-led live training, but can't afford travel? Maybe you can't travel but can afford live boot camps? Or you simply prefer online training? No worries. FishNet Security's Training Services offers the peace of mind in picking a training company that can handle all of your security training needs. They offer courses in a variety of platforms for multiple areas such as 7Safe's CSTA & CSTP, Check Point, Juniper, EC-Council, ISC2, et al. And 1 lucky EH-Net Member gets their choice of course and platform (excluding CISSP) worth almost $4000!

FishNet Security has been delivering training to the market since 1998 constantly focused on delivering high quality, real-world, hands-on, expert instruction. FishNet Security has witnessed the security landscape change and constantly developed new training offerings and instructional techniques to match real-world requirements. FishNet trainers don’t teach straight from the book; they customize their courses to fit your organization’s unique security paradigm. At FishNet Security Training Services, “We help security professionals become security experts.”

So hit the forums, write some articles, spread the news of EH-Net, and this month's prize can be yours. If you don't win this month, don't fret. Use Coupon Code EHacker2011 for 15% Off FishNet Security Training. So what are you waiting for, an engraved invitation? You've got free training to win!
