

October 2011 Free Giveaway Winners - Mile2

We Have Lots of Winners!!

That's right! With over \$14,000 worth of training to give away from last month's sponsor, there are lots and lots of winners. Many thanks to Mile2 for their generosity not only to the members of EH-Net this month, but also their continued support of those in the military and law enforcement. I know the value of the prizes are staggering, and I don't fool myself in thinking that this can continue each and every month, but I'll ride this current wave as long as I can. Mile2 offers quality training for topics ranging from pentesting & forensics to disaster recovery and secure coding. See all of Mile2's course offerings. And the winners are:

- Two online live seats (\$3000 per seat) and free exams (\$250) for cd1zz & a player to be named later.
- 10 video and examination combos (\$800 per seat) is awarded to 3xban, alucian, billv, eth3real, hayabusa, Joshsevo, Negrita, p0et, rance & YuckTheFankees.
- And ALL EH-Netters Win 50% Off Anything & Everything Mile2 Offers

As with every month, all you have to do is participate on EH-Net. Write some reviews or tutorials, spread the word of EH-Net to the wider security community, share in the forums, help someone advance their career, tweet our articles... whatever you think you can do to increase the reach and effectiveness of our growing community gets you noticed. Getting noticed gets you great prizes. It's that simple. Congrats to the winners, and thanks for all you do to make EH-Net THE place for security professionals!
